

What You Need to Become a CTI Regional Evaluator (RE) for CTEF:

- ✓ **Are you a CTI?** Answer must be yes!
- ✓ **Do you have a Subcontractor Certificate of Insurance?** It is required to become an RE.
- ✓ **Do you have a photo and bio of yourself for the CTEF website?** We need it.
- ✓ **Are you available for 4 to 6 days of training?**
- ✓ **Are you dedicated to using and referring to the TCNA *Handbook*, ANSI Standards and the NTCA Reference Manual?**
- ✓ **Have you managed a jobsite, project, or company?** It helps.
- ✓ **Are you comfortable explaining the benefits of being a Certified Tile Installer to potential CTIs, tile contractors, business owners, and architects?**
- ✓ **Do you have the mind of a forensic tile inspector?**
- ✓ **Do you have the required tools of an RE?** A digital camera, Clipboard for written documentation, tape measure or 6' folding rule, straight edge/ruler, screwdriver to inspect sealant, $\frac{3}{4}$ " x $\frac{3}{4}$ " wood block to gauge floor cuts, lippage gauge, 18" level, and a Torpedo level.
